

Jayesh ojha

Frontend Developer

CG Road, Ahmedabad | Ahmedabad, Gujarat – 380009
jayeshojha2002@gmail.com | 9166774878 | [LinkedIn](#)

Career Objective

Results-driven **Front-End Developer** with expertise in **HTML, CSS, JavaScript (ES6+), React.js, and UI/UX principles**. Experienced in **developing responsive, user-friendly, and high-performance web applications**. Proficient in **state management (Redux), API integration, and modern web technologies** to enhance business solutions. Strong problem-solving skills, a fast learner, and a collaborative team player eager to contribute to innovative, high-impact projects.

Key Skills & Technical Expertise

- Frontend Technologies: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Tailwind CSS
- State Management & APIs: Redux, REST APIs, Firebase
- Version Control: Git, GitHub
- Database Management: MySQL
- Development Tools: Visual Basic 6.0, VS Code

Education & Certifications

- Full Stack Development Certification – TOPS Technologies, 2025
- BCA (Bachelor's in Computer Applications) – University of Kota, 2023
- NSS Certification – Social Awareness

Projects & Practical Assignments

◆ Project 1: Gas Agency Management

Description: Developed an **online gas booking system** enabling users to **schedule refills and transfer gas connections** between locations. Implemented a **secure database** in **MySQL** for order management and user records. Built with **Visual Basic 6.0**, ensuring **efficient transaction handling and a user-friendly interface** for seamless booking and tracking.

Tools/Features: Visual Basic 6.0, MySQL

◆ Project 2: Furniture Booking Website

Description: Built a responsive furniture booking platform with order management. Implemented **state management** and **real-time data updates** to optimize the booking process. **Integrated ReactJS, Redux, and Firebase** for a seamless user experience.

Tools/Features: ReactJS, HTML, CSS, JavaScript, Redux, Firebase
